

IFRS AT A GLANCE
IAS 2 *Inventories*

IAS 2 Inventories

DEFINITION

Inventories are assets:

- ▶ Held for sale in ordinary course of business
- ▶ In the process of production for such sale
- ▶ In the form of materials or supplies to be consumed in the production process or in the rendering of services.

SCOPE

All inventories except:

- ▶ Financial instruments (IAS 32 *Financial Instruments: Presentation & 39 Financial Instruments: Recognition and measurement & IFRS 9 Financial Instruments*)
- ▶ Biological assets (IAS 41 *Agriculture*).

Does not apply to measurement of inventories held by:

- ▶ Producers of agricultural and forest products measured at NRV
- ▶ Minerals and mineral products measured at NRV
- ▶ Commodity brokers who measure inventory at fair value less costs to sell.

INVENTORIES ARE MEASURED AT THE LOWER OF COST AND NET REALISABLE VALUE (NRV)
(This is an implicit impairment test, thus inventories are excluded from the scope of IAS 36 *Impairment of Assets*)

COST

Includes:

- ▶ Costs of purchase, including non-recoverable taxes, transport and handling
- ▶ Net of trade volume rebates
- ▶ Costs of conversion
- ▶ Other costs to bring inventory into its present condition and location.

Excludes:

- ▶ Abnormal waste
- ▶ Storage costs (unless necessary for the production process)
- ▶ Admin overheads not related to production
- ▶ Selling costs
- ▶ Interest cost (where settlement is deferred)
 - IAS 23 *Borrowing Costs* identifies limited circumstances where borrowing costs can be included.

Cost Formulas:

- ▶ For non-interchangeable items:
 - Specific identification.
- ▶ For interchangeable items, either:
 - FIFO
 - Weighted average cost.
- ▶ Use of LIFO is prohibited.

Measurement Techniques:

Standard cost method

- ▶ Takes into account normal levels of materials and supplies, labour, efficiency and capacity utilisation. They are regularly reviewed and, if necessary, revised in the light of current conditions.

Retail method

- ▶ Often used in the retail industry for measuring inventories of large numbers of rapidly changing items with similar margins for which it is impracticable to use other costing methods. The cost of the inventory is determined by reducing the sales value of the inventory by the appropriate percentage gross margin.

NET REALISABLE VALUE

NRV is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs to make the sale.

Contact

This publication has been carefully prepared, but it has been written in general terms and should be seen as broad guidance only. The publication cannot be relied upon to cover specific situations and you should not act, or refrain from acting, upon the information contained therein without obtaining specific professional advice. Neither BDO IFR Advisory Limited, and/or any other entity of BDO network, nor their respective partners, employees and/or agents accept or assume any liability or duty of care for any loss arising from any action taken or not taken by anyone in reliance on the information in this publication or for any decision based on it.

The BDO network (referred to as the 'BDO network' or the 'Network') is an international network of independent public accounting, tax and advisory firms which are members of BDO International Limited and perform professional services under the name and style of BDO (hereafter 'BDO member firms'). BDO International Limited is a UK company limited by guarantee. It is the governing entity of the BDO network.

Service provision within the BDO network in connection with corporate reporting and IFRS Accounting Standards (comprising International Financial Reporting Standards, International Accounting Standards, and Interpretations developed by the IFRS Interpretations Committee and the former Standing Interpretations Committee), and other documents, as issued by the International Accounting Standards Board and IFRS Sustainability Disclosure Standards as issued by the International Sustainability Standards Board, is provided by BDO IFR Advisory Limited, a UK registered company limited by guarantee. Service provision within the BDO network is coordinated by Brussels Worldwide Services BV, a limited liability company incorporated in Belgium.

Each of BDO International Limited, Brussels Worldwide Services BV, BDO IFR Advisory Limited and the BDO member firms is a separate legal entity and has no liability for another entity's acts or omissions. Nothing in the arrangements or rules of the BDO network shall constitute or imply an agency relationship or a partnership between BDO International Limited, Brussels Worldwide Services BV, BDO IFR Advisory Limited and/or the BDO member firms. Neither BDO International Limited nor any other central entities of the BDO network provide services to clients.

BDO is the brand name for the BDO network and for each of the BDO member firms.
